Student Challenge #7
Little Bits Art Bots!

Welcome to your WOW challenge for coding and robotics! Watch your welcome video and learn how to use Little Bits!

Your challenge is to use the Little Bits to create an art robot! How will you make the Little Bits move? How will you attach the markers? Plan your robot on your clipboard as a group and then start building!

You will need:
Little Bits kit (with 4 pieces pictured)
Masking tape
markers
poster paper
pipe cleaners, egg cartons, popsicle sticks, wheels
Clip board with paper and pencil
