

Maker Challenge #2

Musical Marshmallows

Using the Makey Makey can you create musical marshmallows? Are their basic songs you can recreate? How can more than one person create this digital music? Use a scratch piano from the how to section of the Makey Makey website to help you! Are there more instruments you can create for a yummy orchestra?

Basic video for Makey Makey

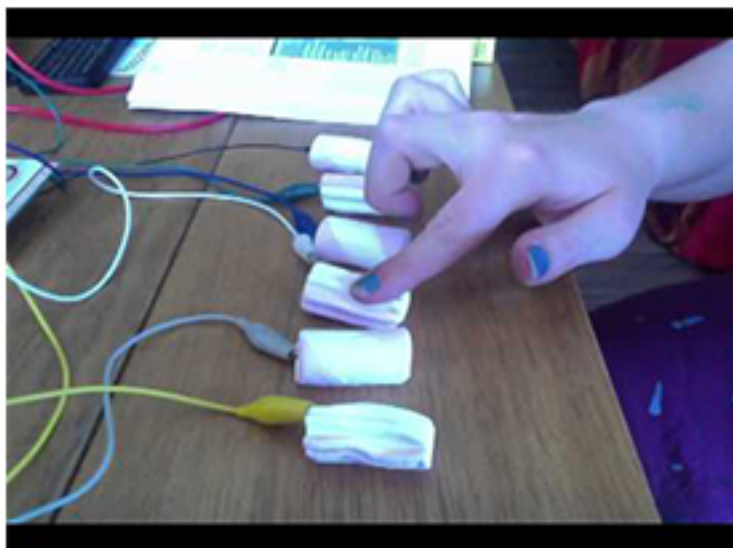

Scratch Piano

Sample Outcomes:

Grade 1-6 Elementary Music Rhythm and Melody

Ex: Sounds may be high or low. Sounds are also in the middle. A sequence of sounds may move from low to high, high to low, or stay the same. A melody is made up of sounds organized in patterns
